

CALLING ALL OPTIMISTS!!!

Hello :)! You've received this flyer because you seem like a happy person. I've started a group for optimists like us. I'd love for you to join.

It's hard to find happy people like us and practice our beliefs without interruptions from others against our lifestyle.

Let's face it: we make negative people uncomfortable.

These days, being an optimist is like being a vegan or a non-drinker. People admire our efforts but seem to be threatened by us at the same time.

But guess what??? We don't need their approval! WE'RE HAPPY!!!

That's why I started the **Optimist Support Group**.

We meet **every Monday** from **6:30 PM to 8:00 PM** at the **Community Center** gym.

We laugh, share good news, and support each other's dreams.
Dress code: casual. Things to bring: a can-do attitude.

*Tired of being judged for looking on the bright side?
Sick of negative Nancies harping on about the "tragedies" of the world?
Want a safe space to simply be positive and talk about positive things?
This is the group for you!*

Who am I?

My friends call me "Smiley Gary."

- I'm 45 years young.
- I'm a reformed "sad guy."
- I like music and movies.
- I'm happily single.

I started this group in March 2020 with a mission to **MAKE FRIENDS AND BLOCK OUT THE NEGATIVITY!**

NO DEBBIE DOWNERS. NO CRYBABIES. NO NAYSAYERS. NO POLITICS.

I hope to see you there!

P.S. Feel free to pass this flyer on to fellow happy people! I've had great luck with: people who are new in town, Zumba class attendees, hikers, MLMers, retirement communities, and even folks I've caught smiling on the street!
